**Subject:** First Stakeholder Meeting - Chesapeake Bay Act Amendments  
**Attachments:** Chesapeake Bay Act 10-5-10 Approved Board Motion.pdf

Dear Stakeholder:

Thank you for agreeing to participate in the Stakeholder meetings for the purpose of providing options for amending the proposed Chesapeake Bay Preservation Act ("CBPA") amendments to address concerns identified by Stakeholders. This is to notify you that the first Stakeholder meeting will be held on Tuesday, November 9, 2010 from 7:00 p.m. to 9:00 p.m. at Ida Lee Recreation Center in the Lower Level Meeting Room, located at 60 Ida Lee Drive Northwest in Leesburg.

The objectives of the first meeting are as follows: 1) introduce the Stakeholder participants and County staff; 2) provide a brief background and overview of the draft CBPA amendments; 3) reach consensus on Stakeholder established ground rules for future meetings; 4) reach Stakeholder consensus on how future meetings will be organized and 5) determine the schedule for future meetings. In addition, Staff will distribute a document prior to the first meeting that consolidates the issues that have been raised to date and discussed with the Planning Commission and/or the Board of Supervisors. This will form a basis by which the group can determine whether there are additional issues that need to be undertaken.

For your reference, I have attached the Motion approved by the Board of Supervisors on October 5, 2010 directing County Staff to hold meetings with a representative from each of the select group of Stakeholders. Please note that the Board's direction was to develop options for addressing Stakeholder concerns with the goal of "providing as much flexibility as practically possible, while reasonably staying within the parameters of the Chesapeake Bay Preservation Act". The most current versions of the draft amendments can be found on the Chesapeake Bay webpage under the heading entitled: "Draft Chesapeake Bay Amendments" at the following link: [www.loudoun.gov/chesapeakebay](http://www.loudoun.gov/chesapeakebay). The draft Chesapeake Bay Preservation Area Map can be found at the same link, under the heading entitled: "Mapping Information".

Please feel free to contact me if you have any questions. We look forward to seeing you on November 9th.

Sincerely,

Mark Stultz

Deputy Zoning Administrator
